# Referral Program Reminder

At Green Trails Montessori, our community thrives when families share their experiences with others.

If you've enjoyed connecting with our teachers and are excited for your child to begin this journey, we invite you to help other families discover the same warm, nurturing environment.

## How It Works

When you refer a new family who completes their registration and joins our program, you'll receive a **\$50 tuition credit** as our way of saying thank you.

## How to Participate

1. Let the new family mention your name when they reach out or register.
2. Once their enrollment is confirmed, your credit will be automatically applied to your next billing cycle.

There's **no limit** to the number of families you can refer — each successful enrollment earns you another \$50 credit!

*By sharing your positive experience, you're helping to grow a caring Montessori community where more children can learn, explore, and thrive.*
